

For Authors:

1. Authors will have to register on www.iire.in link:
<http://ojs.iire.in/index.php/IJMRD/user/register> If any co-author of the paper he/she/they will also have to register.
2. Author will Login and submit the paper. The paper must be Plagiarized and formatted as per the IJRMD Author Guidelines.

IIRE (Editor):

IIRE will receive the submission

IIRE will then check the formatting of the paper, if minor change then IIRE can change and if more changes then IIRE will send back to the author.

After receiving the final paper, IIRE will again check the plagiarism and if plagiarism is detected less than 10%, then IIRE will insert line numbers and assign the paper to the reviewer.

For Reviewer:

The reviewer will then download and review the paper.

The reviewer will have to submit the comments in separate document referring the line numbers along with the paper.
